Brilliant Engineering Works

<http://www.brilliantengineering.in/>

Brilliant Engineering Works is an ISO 9001:2008 certified manufacturer and supplier of Industrial Nozzles, Fire Fighting Equipments and Water Cooling Systems. The fire fighting equipment offered by us are known for fire resistance and robustness.

Profile

Established in the year **1995**, we, “**Brilliant Engineering Works**”, are a prestigious **ISO 9001:2008** certified business organization engaged in manufacturing and supplying a pristine assortment of **Industrial Nozzles, Fire Fighting Equipments and Water Cooling Systems**. Offered array of fire fighting equipment is manufactured using superior-grade raw material, which is sourced from the certified vendors of the market. Further, we employ modern machines, advent technology and sophisticated technologies during the fabrication process. Owing to this, the offered array is widely acknowledged by the clients for robustness, corrosion & fire resistance, longer service life, high strength and immunity against various chemicals. Relying on these attributes, our range is widely used in diverse industrial applications for varied purposes. We also provide **Repairing & Maintenance Services** to our clients. We have developed a sophisticated infrastructure at **Mumbai, Maharashtra, India**, where all the business activities are carried out in a streamlined manner. The infrastructure is well-equipped with all the necessary machines and equipment that are required for the precise & smooth execution of the business operations. Further, the entire machinery is frequently lubricated and updated to assure efficient functioning, thereby securing optimum output. Further, the machines and equipment are handled & operated by expert professionals to assure a safe & secure production period. Additionally, we have developed an in-house quality testing unit, where the entire range of finished stock is thoroughly tested on varied parameters to assure flawlessness and zero-defect. Owing to this, we have been able to earn the trust & confidence of some of the major reputed clients such as New Age Industries, Voltas Limited and Siemens India Private Limited.

WATER MONITORS AND NOZZLES

Remote Controlled Fire Water Monitor

Portable Water Monitor

Mobile Fire Fighting Monitor

Portable Ground Water Monitor

FOAM MAKING EQUIPMENT

Foam Purer 1200 LPM

Medium Expansion Foam Bund Purer 600 LPM

Medium Expansion Foam Bund Purer 1200 LPM

Foam Bund Purer 600 LPM

WATER SPRAY NOZZLES

Water Curtain Spray Nozzle

Bronze Sprinkler

Mist Nozzle

Bronze Medium Velocity Spray Nozzle

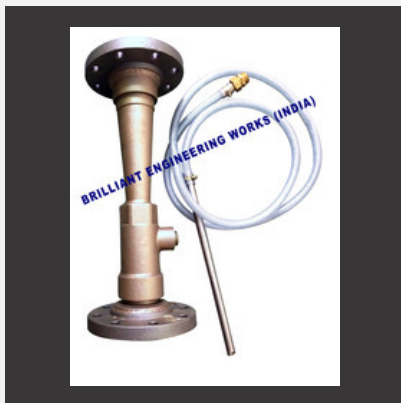

INLINE INDUCTORS

Foam Inductor

Inline Inductor

Foam Inductor

Inline Foam Inductor

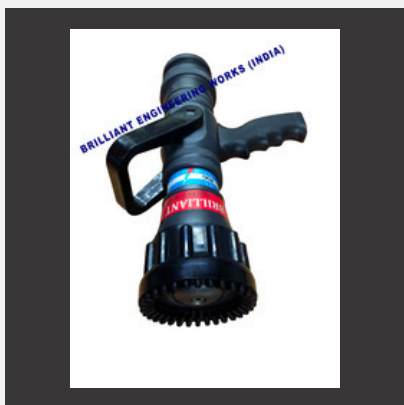

FIRE HOSE REEL JET SPRAY NOZZLE

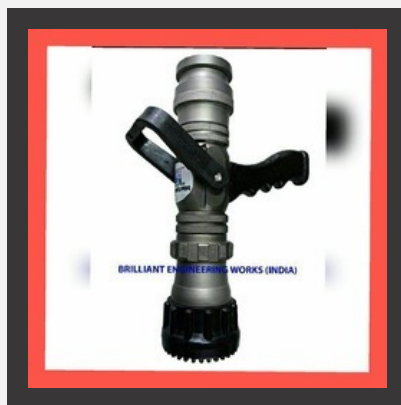

Jet Spray nozzle

Jet Spray Nozzle

Selectable Gallonage Nozzle

Fire Nozzle

BREACHING

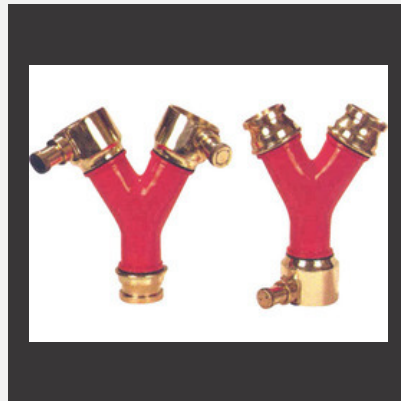

Two Way Inlet Breaching

Three Way Inlet Breaching

Four Way Inlet Breaching

Dividing Breaching

HYDRANT VALVE AND LANDING VALVE

Oblique Hydrant Valve

Single Headed Hydrant Valve

Double Headed Hydrant Valves

Steel Double Headed Hydrant Valves

ADAPTORS AND COUPLING

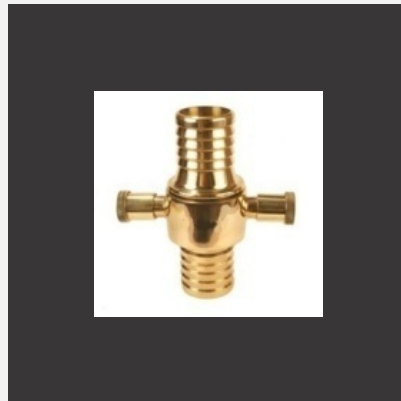

Double Female Adapter

Double Male Adapter

Adapter With Female Lug

Fire Hose Delivery Coupling

SPRAY NOZZLES

Medium Velocity Spray Nozzle

Pendent Type Sprinkler

Spiral Nozzle for Cleaning

QC Nipples

FIRE PROTECTION SYSTEMS

Fire Extinguishers

Co2 Type Portable Fire Extinguishers

FRP Fire Hose Box

Co2 Fire Extinguishers

WATER COOLING SPARES

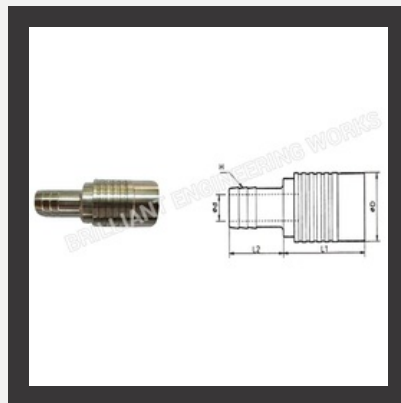

Mould Coupler

Quick Release Coupling

Mould Coupling

Mould Couplings

FIRE AND SAFETY
